Strategic Lending for Medical Professionals

Helping you build long-term wealth

Most physicians overpay $50,000-$200,000+ in unnecessary interest over the life of their mortgage—not because of bad decisions, but because they lack access to the right strategy.

Who We Are

U.S. Bank is one of the largest and most trusted financial institutions in the United States. Led by Sean Shallis, Private Wealth Physician Loan Expert, we specialize in helping medical professionals make smarter, more strategic financial decisions at every stage of their career.

Sean brings 30+ years of experience, $1 Billion+ in career transactions, and has been featured in *The Wall Street Journal, The New York Times, Bloomberg TV, and CNBC*.

What We Do

We help physicians, medical professionals, and healthcare organizations:

- Secure physician-specific mortgage strategies (0% down, no PMI)
- Reduce unnecessary interest and fees through Rate Guardian™ monitoring
- Finance and build medical practices (Construction-to-Permanent loans)
- Create long-term wealth through strategic lending
- Access VA loans for veteran medical professionals

How We Do It

We don't just provide loans—we design financial strategies tailored to your career trajectory. From residency to practice ownership and beyond, we align financing with income growth, tax strategy, and wealth building goals.

Our proprietary Rate Guardian™ system continuously monitors your mortgage to ensure you never overpay—even after closing.

Why It Matters

Most medical professionals are overpaying—not because of bad decisions, but because they lack access to the right strategy. We eliminate that blind spot.

Who We Serve

From the Chief of Medicine to the front desk—everyone benefits from smarter financial strategy.

- Residents & Fellows
- Attending Physicians
- Practice Owners & Builders
- Medical Professionals at every level
- Healthcare vendors, recruiters, and organizations
